#FEATURED - FEEDBACK FROM CLIENT

A while ago, we made a wedding comb for Malinda.

And recently we heard from her with this wonderful review:

> *I want to thank you so much for my beautiful flower hair comb which I wore on my wedding day. I envisioned a garden in my hair and your comb was the focal point. It added colour and beauty to my outfit and I could not be more thrilled with the quality and look of the piece. I would certainly recommend your combs to any bride looking for a special touch. Thank you again! :)*

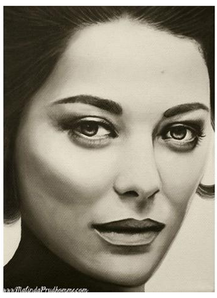
Indeed, Malinda has good taste. We also find that the comb goes very well with her beautiful vintage style lace gown.

Malinda is a fellow Etsy artist based in Toronto, Canada. Her specialty is in mixed media and portrait art. Our favourite pieces were this portrait of Marion Cortillard (one of our most adored actresses!)



And her drawings of Italy, especially this one of Cinque Terre.

Check out Malinda's shop here!
